

# First Announcement

**12<sup>th</sup>**

HOMBURGER

**NEUROENDOSCOPY  
WEEK 2023**

September 03. – 09., 2023

**MODULE 1 September 03. – 05.  
Endoscopy skull based surgery**

An interdisciplinary Approach between ENT  
and Neurosurgery

**MODULE 2 September 05. – 07.  
Cranial neuroendoscopy**

Focus on Pediatric Neurosurgery  
and Hydrocephalus

**MODULE 3 September 07. – 09.  
Minimally invasive concepts of spine surgery**

Focus on endoscopic techniques

Our workshop concept is based on the combination of lectures, live surgeries and hands-on cadaver models. This ensures the understanding and learning of neuroendoscopic concepts. The international faculty members share their experiences during the workshop.

**Department of Neurosurgery**

Kirrberger Straße, Building 90.5  
Saarland University Medical Center  
66421 Homburg-Saar / Germany
