

International Symposium Meet the Masters

September 7-9 2023

Waterloo (Brussels region), Belgium

For neurosurgeons and other specialties
dealing with neurosurgical pathology

I am delighted to invite you to this
unique symposium!

Join experts in small groups and
benefit from the expertise of many
Masters in various areas of
neurosurgery.

Experience the collaborative and
friendly atmosphere in the
sumptuous setting of the Ferme de
Mont Saint-Jean, on the historic site
of the Battle of Waterloo.

Join us for 3 unforgettable days of
education, art of living, and culture.
